

Merry Christmas

WA Region Christmas Party

In contrast to previous Christmas Parties, this year the Committee decided to try a daytime party which was advertised as “child friendly”. This would encourage members with young families and also allow those members who had prior evening commitments to attend. A big thank you goes to Sophie & Ross Stacey of Banksia Park who offered their home as a venue. It was a great afternoon with games of skill & strength, and of course ‘backyard cricket’. To those who donated items for the auction & raffle – THANK YOU!
