

**Very Special Award – Life Membership – Jennifer McAuliffe**

*Taken by surprise, Jenny about to receive her AAA Life Membership Award in front of the Parade of Champions at 2018 Perth Royal Show.*

Some of the achievements that resulted in this very special award. Jenny joined AAA in 1995 and has served nationally, as President of the Australian Alpaca Assn - a member of the Board - introduced the AAA Certificate of Appreciation - while on the Showing & Judging Committee, developed the fleece scoring cards – member of the Education & Training Committee where she developed the Primary Resource Package.

*Jenny with L to R: Mrs Beth McDonnell – Councillor RAS, Jenny, Len Baxter – President AAA WA Region & Mr Dave Thomas – Vice President, RAS.*

These are still being used today. Jenny has also served as WA Region President, Secretary & Treasurer and has always been available to carry out the very important role of MC at our Regions Alpaca Shows. Thank you for all you have done – you deserve this award.

Two other very important awards were presented at the Show Dinner. **AAA Certificate of Appreciation** to Jenny & George Jackson and the **WA Region Certificate of Appreciation** to Ron Reid. Jenny, George & Ron have contributed greatly to the alpaca industry and its members and for this we are extremely grateful.
